Application No. 09/844,613
Filed April 1, 2001

Dear Michele Eason

I, Kevin Cattenhead respectfully request and extension of 30 days in order to acquire some of the needed information from my patent attorney Richard Goldstein, listed on my original application. I am awaiting information that the attorney has regarding all aspects of the patent process and abandonment information that I never received as stated in my most recent reply.

Thank you,
Kevin Cattenhead
